Successful trader and best-selling author Leon Wilson knows how to make a living trading on the sharemarket. He also knows that because trading requires discipline, time and self-education, 90 per cent of those who attempt it will fail within two years.

In concise and clear language, *The Business of Share Trading*, second edition, shows how you can take control and profit from an active sharemarket portfolio. From developing a plan and financing your capital investment, to setting up a home office and keeping accurate records, this newly expanded edition offers step-by-step guidance to all aspects of running a successful trading business.

Updated to reflect the changes that have occurred in the industry over the past decade, the Business of Share Trading contains everything you need to know about:

- Fundamental, technical and combination analysis
- Dealing with brokers, data suppliers, ISPs and information sources
- Trend trading, break-out trading and reversal trading
- Trade entities and exits, position sizing and stop-loss management.
