The girls next door are sexy and sultry. When the men in the next house over hired them to babysit, they had much more on their mind!

Girls Next Door is a collection of THREE babysitter fantasy stories. It includes:

Naughty Neighbor

The man next door was a role model that I didn't have in my own house. He loved having me around. When I was hired to babysit, I snooped a little more than I should and had my eyes opened to a world of naughtiness that I did not know existed. He normally let me get away with a lot but he knew how to dish out punishments as well.

I never dreamed that the day would come where he would catch me being as naughty as I was. I was babysitting and thought I had the house to myself for the day. I could not have been more wrong.

Pure Pleasure

I have been babysitting for Chris and Marcie for as long as I can remember. They live right next door and it has always brought in extra money for me. One day, I looked outside and saw Marcie loading her belongings into her car and leaving, never to return.

Chris was lost without his wife so I offered to move in to help him out. He accepted and we began get closer than ever. Our relationship started innocently enough but quickly became more intense when I caught him watching me get ready for work.

Neighbor Affair

I have been babysitting for Dennis and his wife for six years now. Over the last year, Dennis and I have gotten quite close...much closer than we should have. It all started when I snuck into his room and watched some of his bondage porn while he was gone. It made me curious and, before I knew it, I was on the receiving end of his spankings.

All characters portrayed in my stories are consenting adults
