Legendary Rogues (Legendary Classes) (Volume 2) Matt Goodall, Jason Nelson

Rogues Always Steal the Show! *Legendary Rogues* is the latest volume in our new series of class-focused player supplements, this one focused at the fast-talking tricksters, stealthy pilferers, and happy-go-lucky scoundrels that populate every great adventure story. From their earliest incarnations as thieves and assassins, rogues have broadened their reach into all manner of specialties, becoming skill specialists and deadly strikers, leaping from surprise to carve up their enemies, yet there is still much farther for them to go. *Legendary Rogues* revisits the core class abilities of the Pathfinder rogue in both its core and unchained version, exploring its offensive and defensive capabilities as well as its versatility with skills (including unchained skill unlocks) and rogue talents, giving not only new mechanics but also alternate rules and advice on implementation. The rogue's arsenal is further enhanced with a collection of feats to enliven and expand the rogue's capabilities. *Legendary Rogues* lives up to its name by offering an entirely new version of the rogue class, the *Legendary Rogue*, including an array of archetypes specifically tailored for it. Finally, we reach back to the roots of the rogue class with a brand-new prestige class, the *Master Thief*, a lord of larceny that will leave heroes and villains alike clutching their purses and hiding their hoards! Check out this 48-page product today and *Make Your Game Legendary!* You may also want to check out *Legendary Paladins* for your holiest of heroes, or *Legendary Villains: Antipaladins* and *Legendary Villains: Dark Druids*, for your vilest villains, every one of them truly legendary!
