Let's All Shut Up and Make Money! Larry Feign

The 1997 Hong Kong handover was no laughing matter...or maybe it was!

Read the cartoons that chronicled the End of Empire: Hong Kong's last 100 days under British colonial rule.

In March 1997 controversial, award-winning cartoonist Larry Feign was commissioned by a British newspaper to chronicle an unprecedented moment in history—**The Reunification of China! The End of the British Empire!**—and all the rumors, worst-case scenarios and unforgettable events:

- Pre-handover supermarket specials
- Last-minute pregnancies before the one-child policy kicked in
- The greatest onslaught of tacky souvenirs in history
- The invasion of the foreign journalists
- Britain finally lifts a finger for Hong Kong

Read the entire series, plus cartoons from *Time Magazine* and elsewhere, and a Politically Incorrect History of Hong Kong. You'll laugh *almost* as loud as Chinese leaders laugh at Hong Kong people's calls for democracy!

Click "Look Inside" to read the first chapter and cartoons!

"Feign has a piercing sense of irony and is laugh-out-loud funny."
Nury Vittachi, *Far Eastern Economic Review*

"Gratuitous cracks at po faced pontifications on the territory."
Geremie Barme, *The Australian*

"I was furious!"
Allen Lee, HK politician,
commenting on Feign's cartoons in *The Last Governor* by Jonathan Dimpleby
