"The book deals more on the online side of network marketing and I believe it was able to share good information" -- Trev Rand

" The most important section is the one dealing with building a list for email marketing. Multiple people across all genres say that the money is all in the list - it's something that you own, you can always take it with you whatever you do, and these are people who have proven that they want to be in a relationship with you. As long as you try to provide value to everyone on your list, the money will come." -- Chris Flec

"This Network Marketing Book have taken points seriously, and elaborated pretty well the avenues to where you should stretch your networks. It is actually good for people who are specially on a start up building their networks to this medium of communication - online. It is very simple in words, which makes it easy to understand. It is also a quick read, so you can easily start using the fundamentals once your done with it. I would totally recommend this book to everyone who is quite clueless in online networking and for those who want to expand their horizon in business." -- Alexadria Jackson
