## **Raised From the Flames**

Sabrina Maxwell is a nurse who understands what it is like to be a patient. While visiting her family for the holidays, her parent's home went up in flames, and Sabrina lost everything—and everyone—she held dear.

Fast forward four years, while vacationing alone on a beautiful Caribbean island, Sabrina finds herself face to face with the man who saved her from the burning wreckage, a man she's been searching for since that dreadful night.

But Sabrina's chance encounter with her hero Charlie Thompson is anything but how she had imagined it. The handsome firefighter has grown cynical about his work and has turned to counting those he failed to save rather than those who survived due to his efforts.

Can Sabrina show Charlie what a beautiful gift life can be? Can her passion for the life that he preserved help him to remember why he became a fire fighter to begin with?

And is their hot and steamy vacation romance strong enough to change their lives after they've returned home?

## **Midnight in Monaco**

Will Lydia place her trust in this seductive mystery man, or will his dangerous mission put her too close to harm's way? And just how long will she be able to ignore the burning desire toward him that is building within her?

Follow Lydia's terrifying journey as she lands in a deadly world that is beyond her experience. Will this case

of mistaken identity be the end of her, or is it just the beginning?

### **SEALed Hearts**

Adventure novelist Emily Parker finds herself trapped in a dangerous world of terror and intrigue when she discovers that her long time boyfriend is actually a high profile, international drug lord.

In an attempt to escape with her life, Emily devises a plan to deliver concrete evidence to authorities that will take down the drug ring once and for all. And when she discovers that the plots in her books are much less frightening than reality, Emily is lucky to find that the well-muscled and strikingly handsome Ben Portman, alongside his team of Navy SEALs, is there to help her escape from the extensive reach of the drug lord's mercenaries.

When Emily and Ben find themselves trapped on an isolated cruise ship that is being patrolled by the enemy, can they learn to trust each other enough to work as a team, or will they both end up at the bottom of the Atlantic?
