The mystery. The rich heritage. The haunting sorrow and mesmerizing beauty captured in the solemn eyes of the saints. Explore the world of the Northern New Mexican Santo in this coloring book unlike any other.

*Santos of Spanish New Mexico* is a perfect introduction for both young and old into the art of carving and painting images of saints that represent the care and love of the community that the Santero (maker of saint images) comes from. The Santero is a self-taught craftsman who utilizes handmade tools, pine, aspen, cedar or cottonwood root to fashion representations, figurines, and objects in honor of the patron deities brought to the New World by their ancestors during the late 16th century. Learn a little about the saints and the various depictions you can recognize anywhere throughout Northern New Mexico. A tradition handed down from generation to generation, the art of making Santos is still very much alive and thriving in this special region of the world. Care has been taken to be faithful to the artistic details of the original works. Like the folk art he has endeavored to reproduce, Al Chapman's drawings in this book are simple and sincere. This book is a good companion to *What is a New Mexico Santo?* by Eluid Levi Martinez and *Santos, A Coloring Book of New Mexico Saints* by Marie Romero Cash, both from Sunstone Press.
