## **The King of the Earth: The nobility of man according to the Bible and science** Erich Sauer

Erich Sauer was more than a theologian. He was a visionary. He dared to think beyond the conventional understanding of his day and to propose that God had a high and noble purpose for mankind. We are not an afterthought nor are we insignificant to the plans and purposes of God. In fact, the ongoing work of creation and the implementation of the work of redemption have been given into the hands of mankind. We have been called, equipped and empowered for great things in Christ. Come, expand your thinking and take a journey into the wonder of God's grace. You will never be the same.
