## **The Lady of the Castle (The Marie Series Book 2)** Iny Lorentz

Marie lives happily in Sobernburg Castle with her beloved husband, Michel Adler, a tremendous achievement for a woman who was once the "Wandering Harlot." The couple longs for a family, but when Michel is called to battle against the rebellious Hussites, they have to put those dreams on hold until—if they're lucky—Michel returns home.

Soon after his departure, Marie is thrilled to find she is already with child, but this bright news is quickly tarnished by anxiety for her husband's return. News of him trickles in: first that he's been knighted for his exemplary courage in battle...and then that he disappeared without a trace during a grisly massacre and is presumed dead. Pregnant and alone, Marie's place in the world is once again precarious. Unwilling to abandon the hope that her husband has somehow survived, Marie escapes from the castle and takes to the road once more to find Michel and save her family.

In this sequel to *The Wandering Harlot*, bestselling author Iny Lorentz transports readers to a richly rendered fifteenth-century Germany, where courage and true love conquer all.
