In *The Other Side of Death*, preacher and theologian Dr. J. Sidlow Baxter examines what the Bible says about heaven, hell, and life beyond death. Beginning with a fascinating word study of hades and gehenna, Dr. Baxter proceeds with an exploration of infant death, the place of loved ones in heaven, and the doctrine of purgatory. The book concludes with a discussion of where heaven is and a helpful review of how other religions view life after death. *The Other Side of Death* not only makes for intriguing study but also offers substantial comfort and reassurance to those who seek insight into God's plan for them after life on earth. Dr. J. Sidlow Baxter is recognized as one of the world's best-known preachers and authors. A master expositor of the Bible, he has written nearly two dozen books, including *Master Theme of the Bible* and *The Hidden Hand* (Tyndale). He was educated at Spurgeon's College in England and holds a D.D. degree from Central Baptist Seminary in Toronto, Ontario.
