UYUNI iS YOU TABIPPO

This is the first photo collection of "Salar de Uyuni," which is called the Greatest Miracle in the World. "Salar de Uyuni" is the largest salt flatland in southeast Bolivia, and in the rainy season (December to March) rain covers the flatland with a thin layer of water, which turns it to the largest mirror in the world! This deluxe photo collection reproduces this natural wonder, printed on high quality paper in a large format. This book also includes 60 smaller photos which you can cut out and use as a memo.
