When Miss Marigold challenges the kids at Pepper Lane Elementary to turn an unpromising patch of their schoolyard into a garden full of fruits, flowers, and vegetables, they know they'll need all the help they can get. Soon everyone in the community is lending a hand—including an unlikely neighbor with a soft spot for gardening—and it isn't long before peppers, zucchini, sugar peas, snapdragons, zinnias, and much more are growing and blooming.

· Back matter includes photos of students gardening in real school gardens and information on how readers can start their own school or home garden project.
