Warning: For mature audiences only (18+).

Cruising into her thirties, and the bud-smoking outcast of her family, Ophelia Santos concerned herself more with what kept her happy and not what others would say. Her family's distaste of her lifestyle—as they called it—created a drift that O could care less about repairing. All that mattered were her bubble-berry bud and fun times with Lena Avila, Ophelia's live-in girl toy.

Years of faulty choices have concluded in an untraditional life for the twenty-nine-year-old Texan. Bud smoking and deejaying were O's day-in-and-day-out, until the night a stranger changed everything for herself and Lena.

Surviving being sold like a bag of bud, became a struggle that O and Lena would have to endure—no matter the number of forced dates.
