Angel Killer PJ Nunn

The death of a child is every mother's nightmare. But what if the child has no mother? What if their little bodies are discarded like garbage and no one even seems to care that they're gone? Shari Markham, psychologist for the Dallas Police Department, knows what it feels like to be unclaimed and unwanted. She can't turn away, even if it means demons dancing in her dreams at night. But when her relentless pursuit of information to help apprehend this madman gets a little too close, he turns the tables, warning her that his next scheduled victim will be her own three-year-old granddaughter, Angel! ANGEL KILLER by PJ Nunn had me riveted. As a Forensic Psychologist, I tend to be critical of such characters, but Ms. Nunn's lead character Forensic Psychologist Shari Markham hits the mark! I was immediately hooked when a child's body is found and Shari begins the "magic" of a Forensic Psychologist. More bodies add to the suspense and a love interest adds to a realistic feel. I was right there with Shari, as PJ weaved her words into a thriller. Captivating! Delightful! A+ --Dr. Cynthia Lea Clark, Psy.D., Ph.D., MHt. CHS-IV Forensic Psychopathologist, Actress, Writer "Dr Shari Markham demonstrates skills Charlie Fox would be proud of in this tense hunt for a deranged serial killer. Crackles with romantic suspense." -- Zoe Sharp, author of Die Easy and the Charlie Fox Thriller series P.J. Nunn's Angel Killer is a hard core roller coaster ride that takes you from cradle to the grave of a serial murder investigation. This story will keep you on the edge of your seat! -- Michael E. Witzgall, Law Enforcement Tactical Consultant. Tense and enthralling, ANGEL KILLER is a first-rate story of nail-biting suspense and unpredictable mystery. From page one it grips the reader and never lets go. Bring on more of Shari Markham, Dallas PD profiler. She's a winner! --Joanne Pence, author of the Angie Amalfi mysteries
