Dark Trojan Scott Matthews

A plot to sabotage America's power grid is in place to turn out the lights all across an unsuspecting country. Adam Drake's client has a Trojan Horse malware hidden in its new security software that's about to be distributed to the nation's largest electric utilities. When an international model and female assassin is sent to keep Drake from uncovering the plot, chasing her begins to unravel the plan. But time us running out to prevent a blackout that will take America back to the Dark Ages.
