Falling For My Husband (British Billionaires) Pamela Ann

The rogue playboy & the partially virgin heiress.

Two lonely souls finding each other and provoking for the inevitable.

~

British billionaire, Callum Kensington's best friend was dying. Richard von Berg's last dying wish was for Callum to take care and marry his sister to protect her from money-grabbing men. Willingly, Callum agreed to marry secretly and become Stella's conservator until she was at the age of twenty-six.

Heiress Stella von Berg moved to London and started her new life at the age of twenty-one. For years, she harbored a crush on Callum, but he kept his distance and treated her like a child. For three years, she and her fake husband see each other once or twice a year. He lived his life and she did hers.

But when his family started to demand Callum take a wife, he had no choice but to present Stella as his scapegoat.

That week changed them.

Both entered an unknown territory where the needs and desires consumed all senses. It was an ache rooted deeply, gnawing into their souls, their hearts, just waiting to surface. And when it did, it was only a matter of time until one of them gets hurt.

Limits are tested and shackles are shaken, but will these two lost souls find their way home?
