Praise for the Gardella Vampire Hunters:

*"Sophisticated, sexy, surprising!"* — J.R. Ward

*"One of my favorite vampire series!"* --Jeaniene Frost

*"Colleen Gleason's irresistible...series is deliciously dark and delightfully entertaining."* —Chicago Tribune

*"Gleason's publishing debut turns vampire stories—and romances—on their ear."* —Detroit Free Press

*"The Rest Falls Away, Gleason's publishing debut...turns vampire stories--and romances--on their ear with a decidedly dark, decidedly unsentimental Regency heroine who stakes the undead with the best of them."* -- Detroit Free Press

*"The undead rise to great heights through Gleason's phenomenal storytelling. She creates a chilling world with the perfect atmosphere of fear and sexual tension."* -- Romantic Times

*"Gleason keeps upping the ante with each novel, weaving the characters around her readers with each engaging conversation and narrative, every stage set of all the appropriate gothic gloom and melting beauty."* -- Book Fetish

*"...Above all, the writing is what recommends this book most. Gleason's writing is sharp and taut, which makes for excellent action sequences, and a plot that travels quickly from the start. The writing strength alone gives me ample reassurance that this potentially plot-heavy series is in the right hands. I'm definitely looking forward to the next installment."* – Smart Bitches Love Trashy Books
