The world of cats is humorously depicted in this well-known collection of illustrations. World renowned cartoonist Ronald Searle has satirically but lovingly portrayed his feline friends in outlandish—almost human—entanglements. A remarkably hairy cat facing a dandruff problem, a vanity-stricken balding cat wearing an unsuitable wig, and a cat of a thousand disguises concealing itself as a rug are just some of the witty full-color illustrations that everyone, but cat lovers in particular, will find irresistible.
