The Truth Book: Escaping a Childhood of Abuse Among Jehovah's Witnesses Joy Castro

-You must always, always tell the truth, no matter the consequences, for you must model yourself on Jehovah, and Jehovah does not lie. This is the most crucial rule of all,+ Joy Castro is told as a young girl in a Jehovah+s Witness family. Joy is 12 years old when her divorced mother marries a brother in the church. He is highly respected in the community, having displayed the ultimate sign of spiritual devotion: he served at Bethel, the Watchtower headquarters in Brooklyn. At home, however, he is a despicable brute. For the two years her mother is married to him, Joy does not grow at all; in fact, she loses 16 pounds, an eloquent testimony to the physical, emotional, psychological, and sexual abuse she suffers at his hands. Her battered mother does nothing to protect her, nor does her church. She is sustained by a consuming fascination for horses and books and her protective love for her younger brother. Their daring escape from this unspeakable cruelty, to discover a nurturing home with their father, is the key to their survival and salvation.
