Learn how to write fast and professionally, and make 1500 words per hour a breeze.

Do you struggle with the whole writing process? If you do, it's likely because you don't have a proper writing system in place. But not just any system. I'm talking about a system that not only allows you to write faster, but also produce higher quality work. Whether you are writing fiction or writing nonfiction, this system will help you write with ease.

You will produce 1500 words or more for every hour you spend writing.

But how is that achievable? The secret to achieving such impressive word counts is to separate your thinking time from your writing time. This audiobook will show you exactly how to do that so you are no longer stuck for words and start earning more money from your writing.

With the Speed Write system, the words just flow out effortlessly all the time.

As hard as that is to believe, it's true. I have proven it. So have many other successful writers who use a similar system. In this book, I lay out the complete Speed Write system and show you just how easy it can be to go from amateur writer who gets nothing done to professional writer who finishes a book every couple of months.

Inside this guide, you will learn:

- How to never suffer from writers block ever again
- How to generate an unlimited amount of new ideas
- The power of intention and how it can assure your success
- Why thinking can be a curse, and how to separate your thinking and writing time
- The simple tactic that may just solve all of your writing flow problems
- How to make writing a habit and minimize distractions
- How to consistently publish quality books fast
- And much more

1500 words. You can write that many in just a single hour. All you need is the right process to follow. The Speed Write system embodies that process.
