A bold new look at the age old battle between good and evil that has been raging a millennia. Is it possible this climactic battle is coming full force and we are on a path of no return? Are we on a collision path with Bible prophecy? Is 2017 the beginning of the end with 2020 the start of the Great Tribulation? Is the Quartet on the Middle East, (road map to peace), a fulfillment of Bible prophecy? Is the U.S. becoming a police state? Is there a coming battle between Islam and Christianity? What nation will the antichrist come from and what modern nations will be tied to the “beast”? What will happen to the U.S.? And finally, how will the UN, EU and coming Islamic State be tied together? I will answer this and so much more. Let’s watch prophecy unfold together! Never has so much “end time” prophecy been discussed in one book.
