A Mirror Darkly Corvis Nocturnum

Revised and with additional material since its original publication, this collection by E.R. Vernor, best known to fans as Corvis Nocturnum, author of the well received *Embracing the Darkness; Understanding Dark Subcultures*, brings you his personal collection of essays penned from years of observing his fellow man. Few authors since Nietzsche or Anton LaVey have so vehemently rallied against societal, religious and governmental hypocrisies, laughable shortcomings and failings. Sharply critical of apathetic bottom feeders and thoughtfully introspective, Corvis forces us to look at the creature that stares back at us from the abyss.
