NOTE: This edition has a linked "Table of Contents" and has been beautifully formatted (searchable and interlinked) to work on your Amazon e-book reader or iPod e-book reader.

Adventures of Kwa, Man of the Jungle by acclaimed pulp author Perley Poore Sheehan.

Kwa's father and mother, Mr. and Mrs. Rahan, who was pregnant with Nathaniel (later to be renamed Kwa), were flying across Africa when they crossed over a large, round valley ringed with mountains.

Unfortunately, the plane crashed into this valley, the Valley of Mu.

The father died on impact and the mother survived only long enough to give birth to Nathaniel, who was then found and raised by apes.

He was given the name Kwa the Golden One, by a chimp-like pre-human, Kek, who teaches him to speak with the animals of the jungle.

Kwa grows up, learns to speak a secret, universal "animal language" and learns the ways of living in the jungle.

The Valley of Mu is home to all sorts of magic and weird creatures--spider men, minotaurs, talking monkeys, thumb-sized squirrels and even albino killer crocs!

Full of intrigue and adventure, these classics are a must for adventure-pulp literature fans!
