Come In Alone Warren Ellis

They want me to entertain you bastards," Warren Ellis began his series of columns for the comic book Internet destination website Comic Book Resources.

Part social commentary, part sitting-at-the-feet-of-Socrates, part kick in the ass, COME IN ALONE was the column that would zig when you thought it would zag.

This collection of all fifty-two columns includes Ellis' unique take on the comic book industry, features first-class interviews with top-flight comic book professionals, and even includes the legendary Old Bastard's Manifesto.

Wrap this all up in an evocative and spooky cover by Brian Wood, and you've got a collection of commentary that midwifed the birth of the comic book industry into the 21st century.
