Dr. Peck's Pediatric Review Simplified! Jessica Peck

This pediatric review is like nothing you have ever seen before. It is refreshingly candid and talks to you like a "RN," a "Real Nurse" that is! Dr. Peck's Pediatric Review Simplified is filled with stories, video links, pictures, and acronyms to help you remember the things you really need to know to care for children safely and pass your pediatric exams including the NCLEX. You will laugh, you will cry, but most of all, you will learn!!

- Current NCLEX® STANDARDS from research provide the complete structure for this book and make it significant.
- The unique arrangement of factual nursing concepts ties the simple to the complex to make learning easier.
- Practice questions are clinical reasoning, high difficulty level NCLEX® style items structured with the same percentages that are in the current test plan. Quality over quantity lessens the number of items needed for practice.
- Personal experiences of the author, a mother of four, make this a poignant, important, and scholarly work.
- The book is organized into 10 chapters utilizing body systems. It is 211 pages with a professionally prepared index.
