- How do I increase my confidence and EI to become a star player?
- How can I become more effective as a leader?
- How do I develop my people to become our next leaders?
- How can I communicate decisions to become more successful?

- What can I do at my next team meeting to improve morale and performance?

Filled with more than 100 EI tools and techniques, Dr. Nadler's proven program is a must-have resource for CEOs, executives, managers, and team leaders. Organized by key topics--communication, collaboration, confidence, self-control, and developing others--this book offers invaluable quick-reference tips, as well as detailed checklists, worksheets, and action plans. In addition, you'll find fascinating frontline reports of leadership in action: Warren Buffett's vision and leadership of powerful CEOs, Jeff Immelt's staying power at GE, Pete Carroll's optimism at USC, and Meg Whitman's commitment to service at eBay.

This is how successful people put their emotional skills to work. This is how you increase confidence, teamwork, and performance. This is *Leading with Emotional Intelligence*.
