Palestine: The Special Edition Joe Sacco

The landmark of comics journalism in an expanded and re-designed edition that includes a host of unseen supplemental material, including background notes, sketches, reference photos, a new interview with Sacco, and much more.

Fantagraphics Books is pleased to present, for the first time, the definitive, expanded, hardcover collection of Sacco's landmark of comics journalism. *Palestine: The Special Edition* is more than a new edition: consider it the "Criterion" *Palestine*. In addition to the original, 288-page graphic novel and introduction by the late Edward Said, *The Special Edition* includes a host of unique material never before published, including many of Sacco's original background notes, sketches, photographic reference, and much more. The book also includes a new, introductory interview with Sacco about the making of the book as well as a new cover and design. *Palestine: The Special Edition* will be a cornerstone of any serious comic collection. With the Middle East's role in contemporary world politics, Sacco's *Palestine* has never been more relevant or more valuable to a country desperate to understand this long-running conflict. Based on several months of research and an extended visit to the West Bank and Gaza Strip in the early 1990s (where he conducted over 100 interviews with Palestinians and Jews), *Palestine* was the first major comics work of political and historical nonfiction by Sacco, whose name has since become synonymous with this graphic form of New Journalism. Sacco's insightful reportage takes place at the front lines, where busy marketplaces are spoiled by shootings and tear gas, soldiers beat civilians with reckless abandon, and roadblocks go up before reporters can leave. Sacco interviewed and encountered prisoners, refugees, protesters, wounded children, farmers who had lost their land, and families who had been torn apart by the Palestinian conflict.

From reader reviews:

John Glass:

The book Palestine: The Special Edition can give more knowledge and information about everything you want. So why must we leave the good thing like a book Palestine: The Special Edition? Several of you have a different opinion about book. But one aim that will book can give many info for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or data that you take for that, it is possible to give for each other; it is possible to share all of these. Book Palestine: The Special Edition has simple shape but you know: it has great and large function for you. You can look the enormous world by available and read a reserve. So it is very wonderful.

Ollie Nadeau:

People live in this new time of lifestyle always try and and must have the free time or they will get great deal of stress from both daily life and work. So , whenever we ask do people have extra time, we will say absolutely sure. People is human not really a huge robot. Then we consult again, what kind of activity have you got when the spare time coming to you actually of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the particular book you have read is usually Palestine: The Special Edition.

Peggy Elmore:

This Palestine: The Special Edition is great publication for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This book reveal it details accurately using great coordinate word or we can say no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having Palestine: The Special Edition in your hand like keeping the world in your arm, facts in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen second right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt this?

Troy Cochran:

Beside this kind of Palestine: The Special Edition in your phone, it might give you a way to get nearer to the new knowledge or details. The information and the knowledge you will got here is fresh from oven so don't always be worry if you feel like an aged people live in narrow village. It is good thing to have Palestine: The Special Edition because this book offers for your requirements readable information. Do you at times have book but you seldom get what it's facts concerning. Oh come on, that will not happen if you have this within your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss it? Find this book and read it from at this point!
