## **The Wisdom of Man** M. R. Bawa Muhaiyaddeen

This book explores fundamental, soul-searching questions in a set of four discourses by M. R. Bawa Muhaiyaddeen (Ral.).

The first talk, "A Benefit to All," describes the exalted qualities with which we should conduct our lives, and the way in which we should give all responsibility to God, remembering Him with every breath.

The second talk, "The Light of the Prophets," speaks about the eternal nature of the prophets, who exist as the light of faith, and also addresses the need to learn from a teacher, or Sheikh.

The third talk explains that the external world is really a reflection of what lies within man's own heart. And the forth talk answers the essential questions "Who am I?" "Why have I come to this world?" and "What is the power called God?"
