Blush: This is a suggestive romance (love scenes are not graphic). For the sake of his Highland clan, Laird Rowan Murray has sworn to marry the first woman he meets on the road. Magic has brought twenty-first century engineer Maddie McCulloch back in time to a fateful roadside meeting with Rowan. Trapped in the past, she has no choice but to agree to be handfasted for a year and a day to the dour but devastatingly handsome Rowan. Neither wants this marriage, but necessity soon leads to passion. As Maddie finds a home among the clan, passion leads to a love both are reluctant to acknowledge, but will this unspoken love be strong enough to keep Maddie in the past when she finds a way to return to her own time? Publisher Note: This book was previously published elsewhere under the title One of These Nights.
