Tips for Coloring this Book: Greyscale coloring books are growing quickly in popularity and for good reason! They allow you to get super photorealistic results and they are much easier than you might think. The main thing to remember is to experiment with colors and not to just use the obvious. For example, if you are coloring grass then notice how it's not just green. It may have areas of yellow highlights, brown and orange blemishes and even blues in the shadows. If you are coloring the bark of a tree, notice that it's not just brown. It may also have areas of green moss, orange hues, reddish areas and even purple areas in the shadows. Don't be afraid to experiment and use colors in areas that you would not expect them to be. Often, this is how the most striking and realistic results are achieved!
