Stasis Kim Fielding

2nd Edition

Ennek Trilogy: Book One

Praesidium is the most prosperous city-state in the world, due not only to its location at the mouth of a great bay but also to its strict laws, stringently enforced. Ordinary criminals become bond-slaves, but the worst punishment to be suspended in a dreamless frozen state known as Stasis is doled out by the wizard and reserved for only the most serious of traitors.

Ennek is the youngest son of Praesidium's strict Chief. Though now a successful portmaster, Ennek grew up without much of a purpose, unable to fulfill his true desires and always skating on the edge of the law. But he is also haunted by the plight of one man, Miner, a prisoner for whom Stasis appears to be a truly horrible fate. If Ennek is to save Miner, he must explore Praesidium's deepest secrets as well as his own.

From reader reviews:

Kristen Mazur:

People live in this new day of lifestyle always try and must have the free time or they will get great deal of stress from both lifestyle and work. So , once we ask do people have time, we will say absolutely of course. People is human not only a robot. Then we ask again, what kind of activity are there when the spare time coming to an individual of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read is actually Stasis.

Craig Harrison:

Reading can called imagination hangout, why? Because when you find yourself reading a book especially book entitled Stasis the mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely will become your mind friends. Imaging every word written in a reserve then become one contact form conclusion and explanation in which maybe you never get ahead of. The Stasis giving you another experience more than blown away your thoughts but also giving you useful details for your better life on this era. So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Mark Mata:

Reading a book to become new life style in this season; every people loves to learn a book. When you read a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The Stasis will give you a new experience in reading a book.

Keith Vanwagoner:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the top book for you, science, witty, novel, or whatever by searching from it. It is named of book Stasis. You can include your knowledge by it. Without leaving the printed book, it can add your knowledge and make anyone happier to read. It is most crucial that, you must aware about book. It can bring you from one spot to other place.
