Persecution from Jason Truollo's immediate family becomes too much—his stepfather's backhand to the jaw is the final straw—and he heads toward the only family who had understood when he came out, his Uncle Raul Braga. When he gets there, he's shocked when not only does his uncle welcome him with open arms, but he finds his uncle in a committed relationship...with a man. Not only that, but many of Uncle Raul's friends are gay, too.

Finally, Jason feels like he's found a place he fits in. Even better, he meets a man who pushes all his buttons, Michel McDover, but surely the sexy rugged mountain man can't possibly be gay. Except he is, and he makes his interest in Jason plain. Deciding learning the joys of sex from an older man is perfect, Jason begins a torrid fling with Michel. A surprise encounter with some strangers in the woods makes Jason realize he may have far more to learn than he ever thought possible. For the hope of love and acceptance, is he willing to keep an open mind?
