If you ever had the “pleasure” of submitting a claim to your insurance company after a fire, flood, theft or natural disaster, then you know what a pain it can be to justify what you actually lost in the disaster and to get compensated fairly.

That is one reason why a full, detailed and comprehensive home inventory is worth its weight in gold.

Justifying your disaster loss is only one good reason to have an up-to-date inventory of your home and your possessions—it's just most people don't have one. We also cover other reasons to have an inventory also in this ebook.

In "Creating Your Home Inventory" , I offer ideas and strategies you can use to create and document a comprehensive home inventory.

Every year natural disasters like wildfires, floods, tornadoes or hurricanes affect thousands of homes. Most of them have no documentation of what they had for possessions. Don't let a disaster catch you with your guard down.

Click the BUY button now and be prepared before disaster hits - instead of wishing you had been after the fact.
