The purpose of this book is to bring glory to God by promoting the Christian values that made America great - values such as biblical masculinity; biblical marriage and biblical family life; the God-honoring values that are directly under open and vile attack; to influence a generation of American men to live God-honoring lives worthy of the calling and appellation of "Christian;" to demonstrate the importance of male servant leadership in the home; to demonstrate the imperative of Christian fellowship and discipleship; to encourage believers to persevere in their verbal witness in spite of ostracism and/or legal action against them; and above all to awaken Christian American men who are serving the nation to the realities of the conflict we are in, and what we stand to lose if we do nothing.
