Through the Portal is the final book for the series Pleiadian Perspectives on Ascension. The journey of the five books flowed from the Pleiades to Earth and back again over several generations of Pleiadians that were human and humans that were Pleiadian. In the fifth book, Through the Portal, the many inter-dimensional adventures were pulled into the NOW of a cohesive finale. Concluding with the story of the The Bird Flock of MU in book 4, it was the NOW to begin the adventure of changing reality. This change begins, once again, at the local multidimensional airport, then returns to the core of Earth to confer with the ancient Lemurian civilization. Big changes are about to occur on planet Earth and leadership training is needed for Sandy and Jason. But when they return to Earth, that which they thought they would change, changed them instead. Follow this amazing "final act" that is actually a new beginning.
