But Abel knows the danger isn't done. He's dreamed for centuries that his mate will perish and he will stop at nothing to keep her safe.

For Delilah, she's not only coping with fantasy come to life, but a mingling of very different families. Not to mention, she has on her hands a man who doesn't understand his true nature and has lived his long life thinking he's a monster.

Abel and Delilah together fills the hole that has been clawing at them for decades. But finally finding each other, it also tips their destinies as the last of The Three. They must unite with the other destined lovers, who with Abel and Delilah, are fated to save the world.
