Listen, Slowly Thanhha Lai

Listen, Slowly is a *New York Times Book Review* Notable Book and a *Publishers Weekly* Best Book of the Year! This remarkable and bestselling novel from Thanhha Lai, author of the National Book Award–winning and Newbery Honor Book *Inside Out & Back Again*, follows a young girl as she learns the true meaning of family.

A California girl born and raised, Mai can't wait to spend her vacation at the beach. Instead, she has to travel to Vietnam with her grandmother, who is going back to find out what really happened to her husband during the Vietnam War. Mai's parents think this trip will be a great opportunity for their out-of-touch daughter to learn more about her culture. But to Mai, those are *their* roots, not her own. Vietnam is hot, smelly, and the last place she wants to be. Besides barely speaking the language, she doesn't know the geography, the local customs, or even her distant relatives. To survive her trip, Mai must find a balance between her two completely different worlds.

Perfect for fans of Rita Williams-Garcia and Linda Sue Park, *Listen, Slowly* is an irresistibly charming and emotionally poignant tale about a girl who discovers that home and culture, family and friends, can all mean different things.

This paperback edition includes a special letter from the author and a Vietnamese glossary and pronunciation guide.

From reader reviews:

Cari Sexton:

As people who live in the modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and make progress. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know what type you should start with. This Listen, Slowly is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Keven Peterson:

Reading a publication tends to be new life style with this era globalization. With reading through you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire all their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Listen, Slowly.

Rosalind Huffman:

People live in this new morning of lifestyle always attempt to and must have the spare time or they will get lots of stress from both everyday life and work. So , if we ask do people have extra time, we will say absolutely indeed. People is human not really a huge robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, often the book you have read is Listen, Slowly.

Beth Kelly:

As we know that book is essential thing to add our understanding for everything. By a book we can know everything you want. A book is a group of written, printed, illustrated as well as blank sheet. Every year was exactly added. This reserve Listen, Slowly was filled about science. Spend your free time to add your knowledge about your technology competence. Some people has diverse feel when they reading some sort of book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book you wanted.
