Elaine Lombardi

A collection of inspirational quotes, famous sayings, and little lessons I have learned throughout my life that I encourage you to write your heartfelt thoughts about as you journal your way to living a BIG LIFE.

Included are planning pages to write down your daily routine, which I suggest you use a pencil to fill in, so you can easily change your entries as your schedule changes throughout the year.

There are sections throughout this book to explore your thoughts, journal your feelings, and define your values as you make it your personal dairy.

As you journal your day keep track of events, record your adventures, and add memorable photos.

Make a wish list, and set your goals to design your life by.

It's small enough to fit in a purse, and big enough to use all year long.
