WHEN IS THE RAPTURE? When is the rapture in relation to end time events? That is one of the most debated subjects in the church today. Scripture teaches a seven year end time for Jewish restoration and for God's wrath, among other things. Some believe the rapture takes place before the seven years (pre-tribulationism), while others put the catching away of believers in the middle or the end (mid-trib and post-trib). Some don't even believe in a rapture. Each of these can show numerous, glaring problems with the competing views. The issue is important for believers to know, for Christ's coming is a frequent theme of the Bible. This book shows how simply everything falls into place when we allow Scripture to interpret itself. Every step of the way it says the same thing. After reading this book, you will learn the answers to these questions and more: *When is the rapture, and how does it relate to the Christ's second coming? *Where do we go after the rapture, and what happens then? *Who are the saints attacked by the Antichrist? (Rev 13:7) *Why is it critically important for all believers to know this information? *What have critics said about the growing prewrath position, and are there real answers to their complaints? Finally, the rapture is not about an event, but about a Person, Jesus Christ. He is the resurrection and the life. Not one facet of the Christian faith is about a mere event. In everything it is about our Lord and Savior. We are not told to look for the rapture, or to look for the resurrection. We are repeatedly told to look for Jesus!
