The Vault Karen Long

VAULT: A large room or chamber used for storage of valuables, especially an underground one...

In the unrelenting heat of the Toronto summer, a fire at a land-fill site uncovers the remains of a local prostitute. But the post-mortem reveals disturbing details – the body has been preserved and is not who or what it seems.

DI Eleanor Raven is back on duty six months after barely surviving being kidnapped and tortured by a depraved serial killer. Work is her sanctuary but she's carrying deep scars – mental as well as physical. Where do you go when the place you feel safest is also the place where you are most at risk?

As Eleanor battles her own demons, it looks as though a killer in the city is making a gruesome human collection. And Eleanor's fight to save the last victim of the Collector becomes a battle to save herself.
