St. Jerome Study Bible - Joshua, Judges and Ruth (Volume 2) Michael Lofton

The St. Jerome Study Bible is a study Bible that features a compilation of quotes from the Church Fathers, and occasionally medieval and modern Saints, on every chapter of the Bible. This particular volume is on Joshua, Judges and Ruth. "All interpretation takes place within a community and a tradition. The Catholic Church includes all the saints of heaven. The Christian tradition reaches back through the Apostles to ancient Israel. These riches are evident on every page of this remarkable Study Bible. When we read the Bible with the ancient Fathers, we are reading it as it was written — and as its primary Author intended. Type your paragraph here." -Scott Hahn, Author of *The Lamb's Supper* "A valuable resource for studying the history of interpretation — or for use in *Lectio Divina* — this is a beautiful work of Christian filial piety." – Mike Aquilina, author of *The Fathers of the Church*
