Take Two (Lights, Camera Book 1) Laurelin Paige

From the New York Times bestselling author of the Fixed Trilogy.

He's ready for his close up, but she's the one calling the shots.

On the night of her graduation from film school, straight-laced Maddie Bauers fell completely out of character for an oh-my-god make-out session with a perfect stranger. Complete with the big O.

Seven years later, that romantic interlude is still fresh in her mind. That stranger is now a rich and famous actor. And she's one very distracted camera assistant working on his latest production. She might consider another tryst...if he even remembers her.

Micah Preston does indeed remember Maddie. Too bad he's sworn off Hollywood relationships. He allows himself as much sex as he likes--and oh, he does like--but anything more is asking for trouble. For the woman, not for him. Yet knowing Maddie could want more than a movie-set fling doesn't stop him from pursuing her like a moth drawn to hot stage lights.

But as the shoot nears its end, it's decision time. Is it time to call, "Cut!" on their affair, or is there enough material for a sequel?

Warning: Contains a dreamy movie star hero, a focus-pulling heroine, off-the-charts instant chemistry, steamy sex in near-public locations, and a new use for lip gloss.
