The Power of Positive Thinking in Business: The Roadmap to Peak Performance Scott W. Ventrella
Achieve greater levels of personal and professional performance in business with one of the most significant human potential concepts of the past century! Each year, companies invest millions of dollars in knowledge and skills-based training to improve performance- yet the results have traditionally been dismal. Selflimiting beliefs and negative thoughts are the usual culprits, blocking the effective application of personal improvement. This wonderful CD provides the tools to overcome attitude barriers such as fear, lack of confidence and low self-esteem by using the practical and developmental skills for transforming pessimistic thoughts and feelings into positive behaviour.
