Jeopardy in the Courtroom: A Scientific Analysis of Children's Testimony

Stephen J. Ceci, Maggie Bruck

Jeopardy in the Courtroom: A Scientific Analysis of Children's Testimony Stephen J. Ceci, Maggie Bruck

The credibility of children's testimony is a hotly debated topic in America's courtrooms, universities and professional organisations. Are children more suggestible than adults, and if so, what are the implications for those who work with child witnesses? This work examines real life cases in which children were key witnesses in criminal child abuse trials. Written in accessible language by experts in the field, this text should be useful for expert witnesses and all those who work with child witnesses, including therapists, social workers, law enforcement personnel and lawyers.
