The prophetic messages of *A Course of Love* culminate with the end of thinking and learning as we know it. “You do not *think* your way through life, but instead draw your knowing forth from the well of spirit, from the shared consciousness from which these words are given and received.” Direct relationship and communication has commenced and you are a full participant in this dialogue with and within Christ-consciousness. A Forty Day and Forty Night experience of union and relationship “on the mountain top” is truly transformational.

For those willing to open their minds and hearts to a new way of being, this radical work is a call to come to voice and to engage in dialogue as who you truly are.
