At age thirteen, Major Wiley Gremillion sat with Aubrey Tarver under their dragon tree, sure of her future. She'd share her life with Aubrey and continue her family's tradition of military service.

But as a sniper with Special Forces, code name Black Dragon, her enemies cost her a future with Aubrey. Walking away was the only way to keep Aubrey whole. Now retired, Wiley knows she'll be alone, dividing her time between her canvasses and helping others with her unique military skill set.

Time hasn't dulled the pain of losing Wiley for Aubrey, but she has to set that aside when her choices put her life and her family's lives in real danger. The only way out is Wiley, but after so many years, Aubrey's not sure that's an option.

Aubrey's first call sets off a firestorm that will take all Wiley's experience to escape, and along the way they might find what they lost. Together they started their story under a tree, and they'll fight to make sure it doesn't end on the streets of New Orleans.
