Treasure Island must be the most enthralling adventure book ever written for children. As we listen to the voice of Jim Hawkins telling his extraordinary tale, and later that of his companion Dr Livesey, we are plunged into a world of pirates, buried treasure, mutiny and deceit. We meet Billy Bones, Blind Pew, Black Dog and, of course, the charming buccaneer Long John Silver. The action and adventure never falter, and the spell of this enduring story is sustained until the very last word. Read by Jasper Britton.

When the naïve David Balfour sets out on his quest for a long-lost relative, a terrifying chain of events is set in motion. He is plunged into a world of infamy and violence from which there seems no escape, until, that is, he meets the enigmatic and valiant Highlander, Alan Breck. Read by John Sessions.

Rudyard Kipling's Rikki-Tikki-Tavi combines five tales which range from the jungles of India to the frozen emptiness of the North... In all of them, Kipling's extraordinary powers of description and ability to identify with human aspiration and animal survival are vividly shown. Rikki-Tikki-Tavi must battle with Nag, the cobra, in his territory; Toomai has a unique glimpse of the elephant world; Kotick, the White Seal, searches for sanctuary, while Kotuko has to find food for his starving Eskimo village. Above all, Kipling's love of life in all its variety shines through. Read by Madhav Sharma.

Toby Stephens takes us back to the world of cunning, adventure, mishap and fun. Sheherezade, night after night, weaves her tales and Aladdin and his Magic Lamp, Sinbad the Sailor, Ali Baba and the Forty Thieves and other tales come alive. The unforgettable music of Rimsky Korsakov sets the scene perfectly. A delightful treat for young listeners.

Four audiobooks on 8 CDs. Over nine hours of entertainment.
