Understanding the Volatile and Dangerous Middle East: A Comprehensive Analysis Steven Carol

The purpose of Understanding the Volatile and Dangerous Middle East is to assist the general public to obtain a deeper comprehension of this bewildering region. Middle East issues can become muddled and confusing, particularly since the mainstream news media, editorials, and popular literature on this highly-controversial subject are often plagued by inaccurate information, or even disinformation. They often commit biased omissions-leaving out important information that can help the public comprehend the true entire picture. Understanding the Volatile and Dangerous Middle East seeks to counteract these inaccuracies. It will prevent readers from making common and not so common mistakes for lack of adequate knowledge. Additionally, there are 78 maps-a built-in Middle East historical atlas-and numerous tables that enhance the text, which is thoroughly indexed. The author presents this information in a clear, comprehensive, understandable, and insightful manner. Understanding the Volatile and Dangerous Middle East is a Middle East library rolled into one volume. For anyone who seeks the truth based on facts, this definitely is one book to keep handy on your library shelf.
