En uno de mis viajes por América leí la noticia del descubrimiento en los ojos de la imagen de la Señora de Guadalupe de una figura humana. Aquella "noticia" se me antojó tan descabellada y sensacional a un mismo tiempo que acepté el reto y me entregué por entero al esclarecimiento de aquel suceso.

¿Qué significa todo esto? ¿Ante qué nuevo reto se enfrentaba la ciencia? Durante meses me he entregado en cuerpo y alma a la investigación de este singular misterio.

Description in English: During one of my trips to the Americas, I read about an important discovery of a human figure in the eyes of Virgin Mary of Guadalupe's portrait. I found this news misleading and scandalous so I decided to take on the mission of conducting my own investigation to unveil the truth.

What is the meaning behind this event? Is this a new challenge for science? I spent months of rigorous work researching this fascinating mystery.
