Embrace The Pain Jana Nicole Campbell

"People who hurt end up hurting others" is the saying that Nevaeh lives by after being bullied terribly in school. Nevaeh finds herself struggling with her identity by letting the opinions of others define her. Falling victim to her behavior in the flesh, she dies spiritually and makes matters worse by blindly following her own path, which leads her to turmoil and unhealthy disorders that pain her to the core. Nevaeh soon realizes that mourning over things she can't control only makes her a prisoner without a key. Will she learn to change her destructive ways before it is too late for redemption?
